

Professional Development Webinar

Strategies for Community-based Prevention *Crafting an Engaging After-School Program and Making it Fit*

Thursday, January 12th, 3 p.m. – 4p.m. Eastern Time

Looking for tips on how to implement a prevention program in an after-school setting?

During this webinar, you will learn strategies on how to execute effective, evidence-based prevention programs in an after-school setting - whether you're looking to start a new after-school program, adding LST to an existing one, or just wanting to learn some best practices.

Who should attend?

After-school personnel, program specialists, group leaders, coordinators, educators, directors, therapists, counselors, behavioral specialists, teachers, and anyone else looking to engage students.

What is the registration fee?

The cost for this webinar is \$99. See registration form below.

Strategies for Community-based Prevention Webinar Agenda
